◆ YOUR JUDGE ◆

Markku Mähönen [Finland]

In 1999 I became a conformation judge. I have judged in Western and Eastern Europe, Scandinavia, Baltic countries, Ireland, England, USA, Canada and Russia. In 2015 I had the honour to judge my own breed Irish Wolfhounds at the World Dog Show Milano and 2018 Best in Show Breeders Class at World Dog Show Amsterdam.

I have also been active in club work, being the President of the Finnish Irish Wolfhound Club, a board member of the Finnish Sighthound Club and Finnish Kennel Clubs representative in FCI Sight Hound Commission. I've trained new judges for Whippets and Irish Wolfhounds.

Currently I can judge several breeds in all FCI groups. I've judged Basset Fauve de Bretagne several times here in Finland and once in UK 2019, too. I've also judged them in a few European countries.

I look forward to judging your wonderful dogs and thank the club for the honour I have received.

Markku Mähönen

PLATINUM

DOG FOULING & GROOMING WASTE

Any owner, exhibitor, handler or other person in charge of a dog is required to remove immediately any fouling caused by their dog(s) and/or any grooming waste at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches.

The Chalking, powdering or spraying (with the exceptions of water) of exhibits within the precincts of the show is forbidden.

Feel the easiness and strength!

Dog food prepared with FSG[♦]

FSG (Fleischsaftgaung) is a cooking method of preparing **fresh meat**

Mentally alert and physically agile

- ✓ because dog food slowly cooked in its own meat juice does not swell in the stomach
- ✓ because a shorter digestion time is needed
- ✓ because the nutrients are better absorbed by the dog

Particularly nutritious

- ✓ due to the high fresh meat content (at least 70%)
- ✓ because we only use high-quality ingredients
- ✓ because we don't add water or additive
