

## **BASSET FAUVE DE BRETAGNE CLUB 16TH CHAMPIONSHIP SHOW**

Many thanks to the Club for the invitation and to the exhibitors for their entries.

I have to say that this was one of the most "interesting" invitations in my career. That's why I'm very pleased with the invitation to your show. Special thanks to Barry and the stewards. Everything was so easy.

In this show everything goes well. The ring was large and the floor was good, too. The dogs were well presented and it was great that the class winners always got applause.

The quality of the dogs was generally excellent. In most countries where I have judged, the quality has not been this good. Your best ones could win any show abroad.
