◆ YOUR JUDGE ◆

Ann Makey (Gairside)

We got our first dog, an Irish Setter, on our way back from honeymoon and so our love affair with dogs and the show scene began. We had some success with English Setters and was granted the "Gairside" affix in 1979.

Whilst showing at LKA in the eighties I was drawn to small untidy hairy hounds; and in 1999 our PBGV arrived followed by our GBGVs. Since then we have bred six Champions, two JW winners and made up two more Champions. We have shown and had great success in Europe and Ireland, feeling especially proud to win at the Paris World Show with Ch Gairside I'm Still Waiting.

I first judged GBGVs in 2008. Since then I have been involved with Fauves handling several to top honours. I have enjoyed judging Fauves at open and championship shows; and look forward to seeing some lovely dogs at this well-run show.

Ann Makey

PLATINUM

DOG FOULING & GROOMING WASTE

Any owner, exhibitor, handler or other person in charge of a dog is required to remove immediately any fouling caused by their dog(s) and/or any grooming waste at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches.

The Chalking, powdering or spraying (with the exceptions of water) of exhibits within the precincts of the show is forbidden.

Feel the easiness and strength!

Dog food prepared with FSG[♦]

FSG (Fleischsaftgung) is a cooking method of preparing **fresh meat**

Mentally alert and physically agile

- ✓ because dog food slowly cooked in its own meat juice does not swell in the stomach
- ✓ because a shorter digestion time is needed
- ✓ because the nutrients are better absorbed by the dog

Particularly nutritious

- ✓ due to the high fresh meat content (at least 70%)
- ✓ because we only use high-quality ingredients
- ✓ because we don't add water or additive
