Excellent front angulation, well boned, ribbing well back and level topline. Correctly carried tail and good turn of stifle. Moved extremely well. He has a great coat although I found it a little too stripped and sculptured. RCC

2nd Turton's Shiroblam Solar. Another super boy unlucky to meet 1. Good head, neck and shoulders, topline and tailset. Well muscled rear quarters which he used to drive round the ring. Just preferred front movement of winner.
